Held at 7:00 o'clock p.m. in the Yancey County Courtroom
Yancey County Courthouse, Burnsville, North Carolina

Approval of the Minutes

The Board next considered the minutes from the 2012-13 Fiscal Year budget work sessions, the June 19th, 2012 special meeting, and the October 2nd, 2012 regular meeting. Commissioner Austin made a motion to approve those minutes and it was seconded by Commissioner Presnell. The vote to approve was unanimous.

Public Comment

The first person to speak before the Board was Benny Riddle. Mr. Riddle thanked all of the Board members for their service and then commented on the crimes that have been committed by Muslim males.

Mayland Community College

The Board next heard from Gerald Hyde, Vice-President of Administration for Mayland Community College. Mr. Hyde stated that Mayland is required to come before the Board of County Commissioners for all three counties to present its budget. Upon hearing from Mr. Hyde, Commissioner Austin made a motion to approve the Mayland Community College 2012-13 budget. The motion was seconded by Commissioner Holland and the vote to approve was unanimous. (Attachment B) Mr. Hyde also stated that there is a North Carolina General Statute that requires each county to fund the community college equally and if it is not funded equally then each county is required to pass a resolution approving how funding is done. That is the case this year as the three counties are funding Mayland with unequal amounts with \$305,010 from Avery County, \$314,100 from Mitchell County, and \$313,147 from Yancey County. Upon hearing from Mr. Hyde, Commissioner Presnell made a motion to approve the resolution for unequal funding of Mayland Community College. The motion was seconded by Commissioner Austin and the vote to approve was unanimous. (Attachment C)

Tax Refunds

The Board next heard from Tax Administrator Jeff Boone concerning two tax refunds. The first refund is for \$71.28 to Mr. Glen Autrey. The second refund is for \$565.04 to Ms. Rebecca Witwer. Upon hearing from Mr. Boone, Commissioner Presnell made a motion to approve the refunds. The motion was seconded by Commissioner Holland and the vote to approve was unanimous. (Attachment D)

County Manager Business

The Board next heard from County Manager Nathan Bennett. Mr. Bennett first brought before the Board a resolution to ban hunting from the road. This is something that several citizens have brought to the Board's attention over the last two years. Mr. Bennett stated that he has researched a number of counties' rules about hunting from the road. This resolution is based upon Mitchell County's law that makes hunting from the road illegal with the exception of bears and wild boars. (Attachment E) Mr. Bennett stated that this resolution is only asking for the legislature to pass the law because all local bills have to be passed by the General Assembly. Discussion followed about penalties and different ways that the resolution could be written. After discussion and the desire to get the resolution right, Commissioner Austin made a motion to table the issue until a later date. The motion was seconded by Commissioner Presnell and the vote to table was unanimous. Mr. Bennett then moved on to the 2013 county holiday schedule.

Mr. Bennett stated that the county follows the state in a holiday schedule with the exception of the Friday of the Mount Mitchell Crafts Fair. Commissioner Holland brought up that the federal government has 10 holidays and the state has 12 holidays and the county has 13 holidays. He asked if work could not be done when customers are not in the building and what about the trash collection sites and DSS. Mr. Bennett stated that the reason that this was given as a holiday years ago was because of all of the traffic around the square and around town, it creates a hassle for employees trying to get to work and get to lunch. Upon hearing from Mr. Bennett, Commissioner Austin made a motion to approve the 2013 holiday schedule and it was seconded by Chairman Riddle. Chairman Riddle and Commissioner Austin voted to approve the holiday schedule. Commissioners Holland and Presnell voted against the approval of the holiday schedule. (Attachment F) Mr. Bennett then moved on to an update of special projects. He stated that there is no change in the sewer project but there have been good conversations with the Army Corp of Engineers. Commissioner Holland asked about water service to the east of Burnsville. Mr. Bennett stated that project is a Town of Burnsville project and it will follow the DOT right-of-way for the new road. Mr. Bennett also reported that the North Carolina License Plate Agency is doing well with an average of about 150 transactions per day. Mr. Bennett also updated the Board that the closeout of the \$400,000 FEMA grant for the Pensacola Fire Department would be this month. Commissioner Holland asked if it would be possible to use the old fire station as a community center. County Attorney Donny Laws stated that the reason the county received the grant was to remove the building from the floodway. The deed also says it has to be used for fire protection.

County Attorney Business

County Attorney Donny Laws informed the Board that he had no business to bring before them this month.

Commissioner Business

Chairman Riddle then asked any of the Board if they had any announcements or business. Commissioner Presnell read a statement concerning her time on the county commission and thanked everyone for their support. Chairman Riddle gave an update on TRACTOR as well as reporting that the Toe River Health District passed their accreditation with a score of 146 out of 148. Chairman Riddle also read a letter from the First Baptist Church (Attachment G)

Adjournment

Having no further business Commissioner Presnell made a motion to adjourn and it was seconded by Commissioner Holland. The vote to adjourn was unanimous.

Approved and authenticated on this the 4th day of December 2012.

October 2, 2012

Subject: 988100233056.000

BOCC:

Rebecca Witwer requested that the square footage of her basement be looked at. The tax office is showing a finished basement living area of 1975 square footage when in reality it is only 1300 square feet of finished living area. This was corrected before the 2012 billing cycle and she is requesting a refund under N.C.G.S. 105-381 Taxpayers remedies.

Attached is her letter requesting the refund and a copy of the old and new PRC and the billing history of the parcel.

Re: BILL # 2012016633

Account # 988100233056000

Dear Mr. Boone,

I am writing to request a refund of overpaid taxes. The overpayment was the result of a clerical error showing our home to have a larger finished basement than we do. I do not know how many years this has gone on but we moved into our home in 2002 so it may have been since that time. I believe the statute number to cite is 105381.

Our property is very over-valued for a wood frame place on a gravel road. It might sell for a little more than half of its tax evaluation. It is baffling to try to understand why such a progressive state like North Carolina would take such a cruel stance against its citizens with its tax assessment policy. Eight years between assessments is a real disservice.

Thank you for all your assistance with this, and I wish you much success in your role in Yancey County government. You are a shining light in a very dark home.

Sincerely,
Rebecca Witwer

Local Laws Some local county-by-county legislation also pertains to hunting, inland fishing and trapping activities in North Carolina. Following is a county-by-county listing of acts that might not violate the general laws and regulations, but that are prohibited by local legislation passed by the General Assembly. These laws do not reflect actions taken by the General Assembly during its 2012 short sessions. Note: Local law in Camden, Chowan and Pasquotank counties allows hunting black bear on the Friday and Saturday preceding the start of the season stated on page 45.

ATTENTION FOX HUNTERS AND TRAPPERS

Fox hunting and trapping seasons, bag limits and restrictions vary by county in North Carolina. Some counties do not allow fox hunting or trapping at all, some allow only hunting. Before taking a fox, sportsmen should read the regulations for that county in the "Fox Seasons Hunting and Trapping Laws" publication available at ncwildlife.org/Hunting/LawsSafety.aspx (click on Fox Harvest Season dates) or by calling 919-707-0050.

Dear Commissioners,

On behalf of the people of First Baptist Burnsville, I wish to convey our gratitude to you for the prompt and effective response to our request for paving the parking area adjacent to our church.

Your prompt response will ensure the safety of people as they shop, eat and worship in our community. It will also ensure that people with disabilities will be able to maneuver without the risk of injuring themselves.

Thank you again for confirming and increasing our appreciation for the role government plays in helping people in our community and thank you for your dedicated service to the people of Yancey County.

Sincerely yours,

Tommy James
